

Youth Workers x 2

We're taking a group of 12 young people on a residential in North Cornwall at the end of May and we need to employ two youth-workers on a freelance basis to provide out-of-hours pastoral support for the group.

Who are we?

Effervescent is a charity working with children and young-people to co-produce creative campaigns. You can see some of our work [here](#).

What is the project?

Under the broad heading of Gender Based Violence, this is a campaign to address the issue of nude and inappropriate image sharing. [Take a look](#).

Who's going?

A mixed-gender group of 12 young people ranging in age from 14 to 19 from Devon and Cornwall. And four Effervescent staff.

When?

We'll arrive at the venue on the evening of Friday 27th May and then work together for six days Saturday 28th May to the evening of Thursday 2nd June 2022.

Where?

A beautiful house in [North Cornwall](#)

What is the role?

The Effervescent team will be working with the group every day on our creative project; the youth worker roles are to provide extra support outside of these times. So there will be plenty of time to do your own thing. The youth workers will support at meal times (cooking will be a rota'd group activity), and be on call at night on a "sleep-in" basis. In other words, the young people will be able to rouse one of the youth workers if they need to. At least one other Effervescent worker will also be on call each night on a rota basis.

What is the fee?

£500 for the week. Accommodation, meals, and travel are provided.

Applicant requirements
